IMPORTANT INFORMATION REGARDING TERRORISM RISK
INSURANCE COVERAGE**

It is agreed:

1. With respect to any one or more certified acts of terrorism, we will not pay any amounts for which we are not responsible because of the application of any provision which results in a cap on our liability for payments for terrorism losses in accordance with the terms of the federal Terrorism Risk Insurance Act of 2002 (including ensuing Congressional actions pursuant to the Act).
2. Certified act of terrorism means any act certified by the Secretary of the Treasury, in consultation with:
 - a. the Secretary of Homeland Security; and
 - b. the Attorney General of the United Statesto be an act of terrorism as defined and in accordance with the federal Terrorism Risk Insurance Act of 2002 (including ensuing Congressional actions pursuant to the Act).
3. Under the federal Terrorism Risk Act of 2002 (including ensuing Congressional actions pursuant to the Act) a terrorist act may be certified:
 - a. if the aggregate covered commercial property and casualty insurance losses resulting from the terrorist act exceed \$5 million; and
 - b. (1) if the act of terrorism is:
 - a) a violent act; or
 - b) an act that is dangerous to human life, property or infrastructure; and(2) if the act is committed:

 - b) to influence the policy or affect the conduct of the United States government by coercion.

All other policy terms and conditions apply.

IMPORTANT INFORMATION REGARDING TERRORISM RISK INSURANCE COVERAGE

The Terrorism Risk Insurance Act of 2002 was signed into law on November 26, 2002. The Act (including ensuing Congressional actions pursuant to the Act) defines an act of terrorism, to mean any act that is certified by the Secretary of the Treasury, in consultation with the Secretary of Homeland Security and the Attorney General of the United States to be (i) an act of terrorism; (ii) to be a violent act or an act that is dangerous to human life, property or infrastructure; (iii) to have resulted in damage within the United States or outside the United States in the case of certain air carriers or vessels or the premises of a United States mission; and (iv) to have been committed by an individual or individuals as part of an effort to coerce the civilian population of the United States or to influence the policy or affect the conduct of the United States government by coercion.

Subject to the policy terms and conditions, this policy provides insurance coverage for acts of terrorism as defined in the Act.

Any coverage for certain commercial lines of property and casualty insurance provided by your policy for losses caused by certified acts of terrorism are partially paid by the federal government under a formula established by federal law. Under this formula, the government will reimburse us for 85% of such covered losses that exceed the statutory deductible paid by us. However, beginning January 1, 2016 the share will decrease 1% per calendar year until it equals 80%. **You should also know that in the event aggregate insured losses exceed \$100 billion during any year the Act is in effect, then the federal government and participating United States insurers that have met their insurer deductible shall not be liable for the payment of any portion of that amount of the loss that exceeds \$100 billion. In the event that aggregate insured losses exceed \$100 billion annually, no additional claims will be paid by the federal government or insurers.** This formula is currently effective through December 31, 2020 unless extended.

The premium charge, if any, for this coverage is shown separately on the attached Declarations page. In the event of a certified act of terrorism, future policies also may include a government assessed terrorism loss risk-spreading premium in accordance with the provisions of the Act.

Please contact us if you would like to reject coverage for certified acts of terrorism.
